

Christmas Party 2019

Our Christmas Party marks the end of our winter term and is a fun party with exploratory play and party games. Our format still follows, play-rest-play and during the rest section, there are cakes to hand out

Christmas Party

exploratory play

Three exploratory sensory play areas from the selection available

Santa area - red blankets, santa plush toys, cushions, hats and stockings, links and starlinks, inflatable Santas

Elf area - green, red and white area, with plastic toys, elves and some dressing up props, inflatable reindeers

Snowman/icy area - inflatable snowman, blue blankets, silver blankets, snowflake props, blue toys.

Balloons & festive inflatables - selection of Christmas inspired toys and decorations

Santa sled - inflatable air bed, covered in blankets with Santa & Christmas props

Igloo - white sensory tent, white ball pool balls, links, starlinks and Christmas props

Snowball pool - ball pool with white and clear balls.

Some classes may have 4th area depending on numbers attending -
Santa's sleigh - inflatable bed, inflatable reindeer and Santa

break

serve Christmas cupcakes, ensure that packaging is obvious and available for those who need allergy information - no hot drinks to be provided.

Christmas Party

party games

pass the parcel with babies sitting on their parent's knees (four layers of paper on parcels)

musical statues - parents holding babies and 'freezing' when the music stops, (the babies freeze too!)

christmas tree

Ikea fabric Christmas tree laid out on mats. Place Christmas presents at the bottom of the tree and sit babies on fabric Christmas tree for a class photo. After photos ask parents to hand out toys from the bottom of the tree one for each baby.

calming cuddle

notes

This is likely to be the first Christmas event that parents have attended with their babies and such a special event for them, so creating the most positive and welcoming party environment is essential.

Please bring everyone onto the mats and talk them through the play-rest-play format. There are some babies joining us for the first time so please be really clear with safety instructions. Ensure that we let everyone know that they are responsible for their babies at all times and they should keep their little ones in eye sight and arms reach at all times.

Christmas Party

notes continued

There are lots of decorations e.g beads, plush decorations and baubles at the party which are amazing to look at & hold and touch but they should not be mouthed by the babies.

Please take photos and let everyone know we'll be sharing a copy of the group photo on our facebook page/group. We'd love to flood our feeds this week with party images. It is a lot of fun and the outfits are amazing so have a great time!

Timings - exploratory play (25-30 mins), break with cake (5 mins), games (10 mins) photo on Christmas tree (10 mins) and santa presents.
