# Christmas party pack

Thanks so much for booking your party with us, we are so excited to welcome you along to play!

We've put together this little digital version of our party pack so you can get involved with all of the activities in our party. This includes our no mess painting activity, contrast card and milestone card too for printing.

## safety first - always

The resources in this pack have been supplied with your agreement that they will only ever be used by an adult. Please ensure that an adult is directing their use at all times during the play session. Avoid letting your little one put any of these resources in their mouths.

Please wash chiffons before use.

Please, please never leave your little one unattended with the resources supplied at any time.

# Christmas party pack - kit list

Your party kit list is below, please print your contrast cards and milestone card on the following pages for the party.

You'll also need one of the black and white Christmas tree images (we've given you a couple to choose from!) printed on thicker paper or card for a no mess painting activity.

## Christmas party kit list

- your Christmas party pack contrast cards and tree image
- chiffon, scarf or muslin cloth
- a freezer or food storage bag
- small amount of non toxic paint
- white blanket, towel or fabric
- shaking toy
- 2-3 toys of different textures, maybe red/green or Christmas related toys

**The toys on our kitlists are only suggestions, please come with what you have available, we can't wait to welcome you along to play!**
